# Welcome to **TRICARE**

We stand ready to deliver quality health care to those who protect our country every day—our nation’s finest. We are proud to serve you.

TRICARE is the Department of Defense’s premier health care program, serving 9.6 million active duty service members, retired service members, National Guard and Reserve members, family members, and survivors worldwide. As a TRICARE beneficiary, you have access to the health care you need wherever you are.

TRICARE brings together military hospitals and clinics with a network of civilian providers to offer you medical, pharmacy, and dental options that meet your changing needs.

TRICARE partners with International SOS Government Services, Inc. (International SOS) to administer your benefit overseas. International SOS is your go-to resource for information and assistance overseas. The overseas region consists of countries outside the United States, and includes the U.S. territories of American Samoa, Guam, the Northern Mariana Islands, Puerto Rico, and the U.S. Virgin Islands.

This handbook outlines the TRICARE program options that may be available to you based on who you are, your location, and your entitlement to Medicare.

### KEEP YOUR DEERS INFORMATION UP TO DATE

Eligibility for TRICARE is determined by the services as shown in the Defense Enrollment Eligibility Reporting System (DEERS). DEERS is a database of service members and their family members worldwide who are eligible for military benefits.

To use TRICARE, make sure your DEERS record is up to date at <https://milconnect.dmdc.osd.mil>.

### TRICARE COVERED SERVICES

This handbook describes the health care, pharmacy, and dental options TRICARE offers. These options differ in terms of the providers you see, how you get care, costs, and whether you file claims. Generally, you have the same covered services, including preventive, mental health, maternity, and pharmacy services, with any TRICARE health plan. Copayments or cost-shares may apply for certain covered services, depending on your TRICARE health plan and beneficiary status.

## TRICARE Overseas Program Areas

### Latin America and Canada

Canada, the Caribbean Basin, Central and South America, Puerto Rico, and the U.S. Virgin Islands

### Eurasia-Africa

Africa, Europe, and the Middle East

### Pacific

American Samoa, Asia, Australia, Guam, India, Japan, New Zealand, the Northern Mariana Islands, South Korea, and Western Pacific remote countries

## TRICARE Prime Overseas and TRICARE Prime Remote Overseas

TRICARE Prime Overseas and TRICARE Prime Remote Overseas are health care options for active duty service members (ADSMs) and their eligible, command-sponsored family members. TRICARE Prime Overseas and TRICARE Prime Remote Overseas are similar to a managed-care or health maintenance organization option, which means you get most of your care from a primary care manager (PCM).

### **+** ENROLLING IN A TRICARE PRIME OVERSEAS OPTION

**You must take action to enroll in a TRICARE Prime Overseas option:**

- ADSMs stationed overseas must use TRICARE Prime Overseas or TRICARE Prime Remote Overseas.
- Eligible command-sponsored active duty family members (ADFM) can enroll in TRICARE Prime Overseas, TRICARE Prime Remote Overseas (based on your location), or TRICARE Select Overseas.

**!** You can only enroll in or change enrollment to TRICARE Prime Overseas or TRICARE Prime Remote Overseas following a Qualifying Life Event (QLE) or during the annual TRICARE Open Season.

You can enroll online using milConnect, in person at a TRICARE Service Center, by phone, or by mail. For specific instructions, visit [www.tricare.mil/enroll](http://www.tricare.mil/enroll).

Your coverage is effective on the date the enrollment request and proof of command sponsorship are received.

### HELPFUL TERMS

#### Qualifying Life Event

A certain change in your life, such as marriage, birth of a child, or retirement from active duty, which may mean different TRICARE options are available to you. A QLE opens a 90-day period for you and your family to make eligible enrollment changes. A QLE for one family member means all eligible family members may make enrollment changes. To learn more, visit [www.tricare.mil/lifeevents](http://www.tricare.mil/lifeevents).

#### TRICARE Open Season

The annual period when you can enroll in or change your health care coverage plan for the following year. To learn more, visit [www.tricare.mil/openseason](http://www.tricare.mil/openseason).

 **HELPFUL TERMS****Referral**

When your primary care manager (PCM) sends you to another provider for care. If you have TRICARE Prime Overseas or TRICARE Prime Remote Overseas and see a provider other than your PCM for nonemergency care without a referral, you'll pay more.

**Pre-Authorization**

International SOS will review the requested health care service to see if TRICARE will cover the care. To check services that need pre-authorization, go to [www.tricare.mil](http://www.tricare.mil) or [www.tricare-overseas.com](http://www.tricare-overseas.com).

**Retroactive Authorization**

A referral for care given to TRICARE Prime Overseas family members up to three business days after a health care visit. If you aren't able to get a referral from your primary care manager within three business days of when you got care, your claim will process under the point-of-service option.

**Catastrophic Cap**

The most you or your family will pay for covered health care services each calendar year.

**Copayment**

The fixed amount those with TRICARE Select Overseas pay for a covered health care service or drug.

## TRICARE Prime Overseas and TRICARE Prime Remote Overseas (continued)

**Split Enrollment**

Sponsors stationed overseas who have family members in the U.S. can have a split enrollment. This means the sponsor and family members will have different TRICARE Prime options. If you choose not to enroll in a TRICARE Prime option, you can enroll in TRICARE Select.

If a sponsor receives new orders for an unaccompanied tour and the family members are granted command sponsorship to remain at their current location, the family members can retain their TRICARE Prime or TRICARE Prime Remote Overseas coverage in the current location while the sponsor is on unaccompanied orders.

**+ ENROLLMENT FEES**

There are no enrollment fees for TRICARE Prime Overseas or TRICARE Prime Remote Overseas.

**+ COSTS FOR COVERED CARE**

You don't have any out-of-pocket costs when you get covered health care services from your PCM. However, you may have out-of-pocket costs if you see a nonparticipating non-network provider, even with a pre-authorization.

When seeing nonparticipating non-network providers, expect to pay the full cost of care up front and file a claim to get money back. Outside the U.S. and U.S. territories, there may be no limit to the amount that nonparticipating non-network providers may bill. You're responsible for paying any amount that exceeds the TRICARE-allowable charge. For cost details, go to [www.tricare.mil/costs](http://www.tricare.mil/costs).

**+ SEEING A PROVIDER WITHOUT A REFERRAL: THE POINT-OF-SERVICE OPTION**

The point-of-service (POS) option allows TRICARE Prime Overseas and TRICARE Prime Remote Overseas family members to see any TRICARE-authorized provider without a referral. You'll pay more up front to get nonemergency health care from any TRICARE-authorized provider without a referral. Costs you pay under the POS option don't count toward your yearly catastrophic cap. The POS option doesn't apply to ADSMs. Learn more at [www.tricare.mil/pointofservice](http://www.tricare.mil/pointofservice).

# TRICARE Select Overseas

TRICARE Select Overseas is an option for eligible non-ADSMs living overseas. TRICARE Select Overseas works like the stateside TRICARE Select program with similar benefits, requirements, and costs. Premium-based plans that work like TRICARE Select are also available: TRICARE Reserve Select and TRICARE Retired Reserve, which are discussed later.

TRICARE Select Overseas is available to:

- ADFMs
- Retired service members and their family members
- Family members of activated National Guard and Reserve members
- Those in the Transitional Assistance Management Program
- Retired National Guard and Reserve members (at least age 60) and their family members
- Survivors
- Medal of Honor recipients and their family members
- Qualified former spouses

## ENROLLING IN TRICARE SELECT OVERSEAS

**You must take action to enroll in TRICARE Select Overseas.** You can enroll online using milConnect, in person at a TRICARE Service Center, by phone, or by mail. For specific instructions, visit [www.tricare.mil/enroll](http://www.tricare.mil/enroll).

Your coverage is effective on the date that the enrollment request is received.

-  You can only enroll in or change enrollment to TRICARE Select Overseas following a QLE or during the annual TRICARE Open Season.

## GETTING CARE

Under TRICARE Select Overseas, you can get care from any provider, unless TRICARE Overseas requirements or local country restrictions apply (such as in the Philippines). Other things to keep in mind are:

- Referrals aren't required.
- You can get care at certain military hospitals or clinics, if space is available.
- Certain services require pre-authorization. For more details, go to [www.tricare.mil/authorization](http://www.tricare.mil/authorization) or contact International SOS.

## Health Care Costs

There is no yearly enrollment fee for ADFMs. Retirees, their eligible family members, and others pay enrollment fees.

In TRICARE Select Overseas, you pay an annual deductible and per-visit copayments or cost-shares. You should expect to pay up front for care and file your own claims to be reimbursed. To file your claims online, use the TOP Beneficiary Secure Claims Portal at <https://www.tricare-overseas.com/beneficiary-claims-portal>. Visit [www.tricare.mil/costs](http://www.tricare.mil/costs) for current costs.

**Note:** Outside the U.S. and U.S. territories, nonparticipating non-network providers can charge any amount for care. You're responsible for paying any amount that's above the TRICARE-allowable charge, in addition to your deductible and cost-shares.

## Filing Claims

Outside the U.S. and U.S. territories, claims must be filed within three years of getting care. Claims for care you received in the U.S. and U.S. territories must be filed within one year of receiving care. You can easily submit your claims online through the TOP Beneficiary Secure Claims Portal. This is the fastest and most secure way to submit claims. Other options include fax and mail. You're responsible for confirming your claims are received. For more information, call International SOS or go to [www.tricare-overseas.com/beneficiaries/claims](http://www.tricare-overseas.com/beneficiaries/claims).

### HELPFUL TERMS

#### Annual Deductible

A fixed amount you pay for covered services each calendar year before TRICARE pays anything.

#### Cost-Share

A percentage of the total cost of a covered health care service that you pay.

## Options for National Guard and Reserve

### HELPFUL TERMS

#### Premium

The amount you pay for a health care plan you purchase. Premiums apply to those using TRICARE Reserve Select, TRICARE Retired Reserve, TRICARE Young Adult, and the Continued Health Care Benefit Program.

TRICARE Reserve Select (TRS) and TRICARE Retired Reserve (TRR) are premium-based health care plans for certain qualified Selected Reserve and Retired Reserve members, family members, and survivors. TRS and TRR offer comprehensive health care coverage similar to TRICARE Select Overseas.

- Enrollment is required.
- TRICARE Open Season doesn't apply to TRS and TRR. These plans offer continuous open enrollment throughout the year.
- An initial two-month premium payment is due when you enroll.
- Monthly premiums, an annual deductible, and cost-shares apply.
- Get care from any civilian provider without a referral.
- Certain services require pre-authorization.

**Note:** When a National Guard or Reserve sponsor is activated for more than 30 days for a preplanned mission or in support of a contingency operation, this coverage stops while they get active duty benefits.

To find out more about TRS and TRR, including how to purchase coverage, go to [www.tricare.mil/trs](http://www.tricare.mil/trs) or [www.tricare.mil/trr](http://www.tricare.mil/trr).

## TRICARE For Life

---

TRICARE For Life (TFL) is Medicare-wraparound coverage for TRICARE beneficiaries who have Medicare Part A (hospital insurance) and Medicare Part B (medical insurance), regardless of age or where you live. You must have Medicare Part A and Part B to get TFL coverage overseas, even though Medicare doesn't cover care outside the 50 United States, the District of Columbia, and U.S. territories (American Samoa, Guam, Puerto Rico, the Northern Mariana Islands, and the U.S. Virgin Islands), or care aboard ships outside U.S. territorial waters. This is a requirement based on federal law governing these programs.

### TFL COSTS

There are no enrollment fees or forms for TFL, but you must have Medicare Part A and Part B. Medicare covers health care in the U.S. and U.S. territories. In these locations, Medicare pays first and TRICARE pays last. However, TRICARE pays last if you have other health insurance (OHI). Medicare also pays before TRICARE when TFL beneficiaries get care aboard ships in territorial waters adjoining the land areas of the U.S. and U.S. territories. If you don't have OHI and live outside of the U.S. and U.S. territories, TRICARE is the primary payer for your care.

Eligible TFL beneficiaries may receive covered services and supplies from a network provider or any TRICARE-authorized provider. You'll be subject to the applicable catastrophic cap, deductibles, and cost-shares. If a TFL beneficiary receives covered services from a network provider, the beneficiary's out-of-pocket costs will generally be lower. Pre-authorization may be required (except for emergency care). When seeking care from a civilian provider, country-specific requirements may also apply.

For TFL deductibles and cost-shares, visit [www.tricare.mil/costs](http://www.tricare.mil/costs).

To get reimbursement for overseas care, submit a claim, a copy of your provider's itemized bill with a diagnosis explanation, proof of payment, completed claim form, and any OHI explanation of benefits to the TRICARE Overseas claims processor. For more information, go to [www.tricare-overseas.com](http://www.tricare-overseas.com).

If you have Medicare  
Part A and Part B,  
you have TFL.

## Other Plan Options

---

TRICARE offers other coverage options for those who have eligibility changes, such as children aging out of regular TRICARE coverage or sponsors separating from service. If you've lost all TRICARE eligibility, you may qualify to buy coverage under the Continued Health Care Benefit Program, discussed below.

### TRICARE YOUNG ADULT

TRICARE Young Adult (TYA) is a premium-based health care plan for qualified adult children who have aged out of TRICARE. TYA offers TRICARE Prime and TRICARE Select worldwide. Your location and sponsor's status determine whether you qualify for TYA Prime, TYA Select, or both. TYA includes medical and pharmacy benefits, but not dental coverage. Coverage, provider choice, and costs for TYA are the same as for TRICARE Prime Overseas and TRICARE Select Overseas.

You may generally purchase TYA coverage if you're an adult child of a TRICARE-eligible sponsor; unmarried; at least age 21, but not yet age 26; and not otherwise eligible for TRICARE or employer-based coverage. TRICARE Open Season doesn't apply to TYA. TYA Prime and TYA Select offer continuous open enrollment throughout the year. For more information, go to [www.tricare.mil/tya](http://www.tricare.mil/tya).

### TRANSITIONAL COVERAGE OPTIONS

TRICARE offers benefits to help certain service members and their eligible family members, so they have ample time to make arrangements for ongoing health care coverage while transitioning to civilian life.

#### **Transitional Assistance Management Program**

The Transitional Assistance Management Program (TAMP) offers 180 days of premium-free TRICARE coverage after your sponsor separates from the military. If you're eligible, TAMP starts the day after the sponsor separates from service. For more information, go to [www.tricare.mil/tamp](http://www.tricare.mil/tamp).

#### **Continued Health Care Benefit Program**

The Continued Health Care Benefit Program (CHCBP) is a premium-based health care program managed by Humana Military. CHCBP offers continued health coverage (18–36 months) after TRICARE coverage ends. Certain former spouses who haven't remarried before age 55 may qualify for an unlimited duration of coverage. If you qualify, you can purchase CHCBP coverage within 60 days of loss of TRICARE or TAMP coverage, whichever is later. TRICARE Open Season doesn't apply to CHCBP. CHCBP offers continuous open enrollment throughout the year. For more information, go to [www.tricare.mil/chcbp](http://www.tricare.mil/chcbp).

**Note:** You aren't entitled to space-available care at military hospitals or clinics while in CHCBP.

## **+** EXTENDED CARE HEALTH OPTION

The Extended Care Health Option (ECHO) provides supplemental services beyond those offered by a TRICARE program option to qualifying ADFMs with mental or physical disabilities.

To get ECHO, you must first enroll in your uniformed service's Exceptional Family Member Program (EFMP) (unless waived in specific situations) and register for ECHO with International SOS. To download the *TRICARE Overseas Program (TOP) Extended Care Health Option (ECHO) Registration Form*, visit [www.tricare-overseas.com](http://www.tricare-overseas.com). For more information about EFMP, contact your service branch's EFMP representative. Learn more about ECHO eligibility and services at [www.tricare.mil/echo](http://www.tricare.mil/echo).

## **+** GETTING CARE IN THE PHILIPPINES

There are two provider types in the Philippines: Preferred Provider Network (PPN) providers and certified providers. If you live or travel in the Philippines, you must see a PPN provider or certified provider for your medical care. If you receive care from any other provider, your out-of-pocket costs may be higher. Visit [www.tricare-overseas.com/beneficiaries/philippines](http://www.tricare-overseas.com/beneficiaries/philippines) for more information about getting care and finding a provider in the Philippines.

## **+** BENEFICIARY SUPPORT CENTER

The Beneficiary Support Center (BSC) is available 24/7 to provide general assistance, connect you with telephonic language assistance, and answer your questions about enrollment, disenrollment, claims processing, and more over the phone. You can connect to the BSC by calling the TRICARE Overseas Program (TOP) Regional Call Center. Visit [www.tricare-overseas.com/contact-us](http://www.tricare-overseas.com/contact-us) to learn more.

## **+** MYCARE OVERSEAS

If you need additional assistance at any time, the MyCare Overseas app is set up to help you easily access information about your health plan, overseas providers, medical appointments, referrals, claims, and much more. You can download the mobile app for free. Go to [www.tricare-overseas.com/beneficiary-app](http://www.tricare-overseas.com/beneficiary-app) to learn more about MyCare Overseas.

The NPP provides in-country medical professionals who work with TRICARE Overseas providers and help you navigate the local health care system.
